## GREAT DEMAND THIS SPRING FOR TENEMENTS,

Ayer St., Kirk St., Quarry, Circle, Camp, Tremont, East, Currier, Grandview, Long St., any of which I will sell at as favorable prices, or more favorable than equally as desirable lots can be had elsewhere. If you were to buy a cow you would usually see a party who had many for sale, rather than buy a man's only cow. Take a walk during the next day or two, visiting above streets. Notice they are the best streets and lots well elevated. No fear of surface water or floods.

"Amerno" established himself here last night. As a hypnotist and fun producer, he certainly did produce fine goods. The screams of laughter were unbounded. The people could not laugh hard enough; they simply screamed. Amerno's work is clean, scientific and of a character to make one think that life is a peculiar phenomenon itself, and little do we understand it. Miss Clifford sang, while hypnotized, "The Holy City," a most beautiful act, and a scene that reaches the heart, makes the pulse beat faster and makes you think more seriously than you ever did before. When Sheridan and Miss Frances Short, in their comedy skit, "Hi Green in New York," received rounds of applause for their work. Altogether, Amerno has a great show and an evening spent in the opera house this week is sure to be enjoyed.
